

Riverwalk Ravenswood

A new riverside community.

Riverwalk Ravenswood offers a lifestyle you won't find anywhere else in the corridor, moments from the Murray River, surrounded by open space, and connected to the best of the Peel region. This is where nature, convenience, and genuine breathing room come together.

Just 13km from Mandurah, you are close to major retail and essentials, including Woolworths Mandurah Greenfields, Coles & Kmart Pinjarra, Austin Lakes IGA, and everyday services like Australia Post. It is the perfect balance of peaceful living with easy access to everything you need. Weekends feel different here, with the Murray River, Ravenswood Hotel, Pinjarra Golf Club, Murray Bend Market, and nearby reserves all within minutes. Whether it is riverside walks, long lunches, or exploring local nature, life flows at a calmer pace.

Riverwalk is a limited land release designed for people who want more space, more nature, and more lifestyle, without the congestion of Perth's suburban estates. It is a rare chance to build a home in a location that feels relaxed, connected, and genuinely unique.
